IMPORTANT ROAD CLOSURE INFORMATION

St David's Hospice Care Admiral City of Newport Half Marathon. 9 am – Sunday – 18th March 2018

Dear Resident

The Admiral City of Newport Half Marathon is one of the largest road races in Gwent, attracting over 2,000 participants. The event provides vital funding for the care of local patients

The Race is building a reputation for its fantastic atmosphere and support but we do recognise that it could not be staged without the tremendous support and tolerance of the residents and businesses of Newport.

We try our utmost to minimise any disruption that may be caused, and we politely ask that you note the road closure details and make your plans for 4th March taking them into consideration.

As the runners go past your home we hope that you will be able to come out and cheer them on.
